

## *Index To Volume 75*

Aboul-Dahab, Y. W., Parathion (Phosphorous Compound) Poisoning.....	387
Adolescent integrity, Camp Directors' Talk .....	213
Allergy, colic—ten year study .....	271
Allergy, food, childhood .....	363
Amster, Herman C., An Evaluation of Uric Acid .....	256
Amyoplasia Congenita .....	421
Anemia Infantum Pseudoleukemia (Von Jaksch) .....	27
Appendicitis, modern trends in treatment .....	67
Awwaad, S., Clinical Studies on Scorpion Poisoning and Its Treatment in Egyptian Children .....	234
Awwaad, S., Amyoplasia Congenita .....	421
Awwaad, S., The Serum Inorganic Phosphorous Content of Normal Infants and Children .....	501
Bell, A. L. Loomis, Jr. ....	203
Beardsley, Hezekiah, Congenital Hyperthropic Stenosis of the Pylorus.....	359
Bialkin, George, Clinical Study of Use of New Cerumenolytic Agent.....	434
Bilateral Post-Traumatic Porencephaly .....	332
Birth Injury as a Cause of "Status Marmoratus" .....	45
Brescia, Michael A., Meningitis (B. Proteus Morgani) in a Newborn .....	141
Brown, Edward E., Progressive Lipodystrophy Following Infection —Report of Three Cases .....	227
Brush, Benjamin, "Pioneers of Pediatrics" (1784-1813) No. 11 .....	9
Cerebral palsy, pathology and surgical treatment .....	1
Cerebral palsy, complicated .....	486
Cerumenolytic agent, clinical study use of new .....	434
Children, U. S. school physical fitness .....	245
Clinical Conference—Training Conference on the Retarded Child .....	147
Clinical Conference: Case Presentation, St. Luke's Hospital, N. Y. ....	509
Clinical Pathological Conference—Training Conference on the Retarded Child .....	106
Clinical Studies on Scorpion Poisoning and its Treatment in Egyptian Children .....	234
Clinical Study of the Use of New Cerumenolytic Agent .....	434
Coccidioidal fungicide, Furadantin® .....	340
Cohen, Robert, Prophylaxis for Foot Eversion in Infants .....	220
Cohen, Robert, Furadantin® A Coccidioidal Fungicide .....	340
Colic and Allergy—A Ten Year Study .....	279
Congenital Cyst of the Common Bile Duct in Infants .....	131
Congenital Heart Disease in a Seven-Month-Old Infant .....	203
Congenital Hyperthropic Stenosis of the Pylorus .....	359
Congenital Laryngeal Stridor Apparently due to an Enlarged Thymus Gland .....	73
Contributions to the Study of Microcephalics .....	15
Colloidal Emollient Baths in Pediatric Dermatoses .....	506
Cyst, (Congenital) of common bile duct in infants .....	131
Deafness Prevention in Children .....	397
Deafness Prevention in Children—Part II .....	474
Dermatoses, pediatric colloidal baths .....	506
Dick, Lionel A., Colloidal Emollient Baths in Pediatric Dermatoses .....	506
Donovan, Edward J., Current Commentary (Congenital Hyperthropic Stenosis of the Pylorus) .....	361

Eagle, J. Frederick, Jr. ....	203, 509
Eichenwald, Heinz F. ....	370
Eisa, E. A., The Serum Inorganic Phosphorous Content of Normal Infants and Children .....	501
El-Darawy, Z., Parathion (Phosphorous Compound) Poisoning .....	387
Emergency Lung Resection .....	405
Enuresis, childhood management of nocturnal .....	101
Encephalomyelitis, newborn—Virchow's .....	175
Eser, Fatma M. and Raskin, Naomi, Contributions to the Study of Microcephalics .....	15
Evaluation of Uric Acid as an Etiological Factor in some of the Obscure Pathologies .....	256
Fischer, Louis, (Historical Article) Pediatric Progress During the Last Fifty Years (1884-1934) .....	518
Fitzpatrick, Hugh F. ....	203
Flower and Fifth Avenue Hospitals—Clinical Pathological Conference: Training Conference on the Retarded Child .....	106
Flower and Fifth Avenue Hospitals—Clinical Conference: Training Conference on the Retarded Child .....	147
Food Allergy in Childhood .....	363
Foot eversion prophylaxis for infants .....	220
Foot, John, An Infant Hygiene Campaign of the Second Century .....	342
Fowler, Edmund Prince, Deafness Prevention in Children .....	397
Fowler, Edmund Prince, Deafness Prevention in Children (Part II) .....	474
Frumin, Abraham and Schechter, Harry, Mediterranean Trait in North American Negroes .....	11
Fumagalli, L. A., Emergency Lung Resection .....	405
Funnel Chest . . . 360 Years After its First Description .....	493
Furadantin® A Coccidioidal Fungicide .....	340
Gaylor, Albro C., new owner, president, publisher .....	3
Goldstein, Hyman, L-Glutavite as a Therapeutic Aid in Mentally Afflicted Children .....	89
Glucosamine, potentiated Tetracycline use of .....	251
Heart disease, infant congenital—Clinical conference .....	203
Hemorrhagic Complications of Measles .....	266
Hempel, Herbert F. ....	203
Historical Article: Pediatric Progress During the Last Fifty Years .....	518
Hofman, Adele .....	509
Hygiene campaign, infant, second century .....	342
Hypercalcemia Idiopathica .....	285
Incidence of Verruca Plantaris (Plantar Warts) in a School Population .....	271
Infant Hygiene Campaign of the Second Century (Historical article) .....	342
Integrity in the Adolescent—Camp Directors' Conference Talk .....	213
Jenner, Edward, "Pioneers of Pediatrics" (1749-1823) .....	431
Joyner, Edmund N., III .....	370
Kepler, Milton O., Listeria Meningitis in Infancy .....	413
Kilic, Nizametin, Hemorrhagic Complications of Measles .....	266
Koplik, Henry, Anemia Infantum Pseudoleukemia (Von Jaksch) (Pediatrics at the Turn of the Century) .....	27
L-Glutavite as a Therapeutic Aid in Mentally Afflicted Children .....	89
L-Glutavite, therapeutic aid in mentally afflicted children .....	89
Laryngeal stridor apparently due to enlarged thymus gland .....	73

Lester, Charles W., Funnel Chest—360 Years After its First Description	493
Levharg, Morrison S.	147
Lipodystrophy, progressive following infection	227
Listeria Meningitis in Infancy	413
Lung resection, emergency	405
Management of Nocturnal Enuresis in Childhood	101
Manfredi, Daniel H., Modern Trends in the Treatment of Appendicitis	67
Mautner, Hans, Osteo-Chondro-Dystrophia Hypercalcemica Idiopathica	285
McClendon, S. J., Management of Nocturnal Enuresis in Childhood	101
McCorkle, Robert G. Neomycin Toxicity: A Case Report	439
Measles, hemorrhagic complications	266
Mediterranean trait in North American Negroes	11
Melkis, Andrew, Osteo-Chondro-Dystrophia Hypercalcemica Idiopathica	285
Meningitis, listeria, infancy	413
Meningitis, newborn (B. Proteus Morgani)	141
Meningitis (B. Proteus Morgani) in a Newborn	141
Mercurialis, Hieronymus "Pioneers of Pediatrics" (1530-1606) No. 9	6
Microcephalics, contributions to the study of	15
Miller, R. F., Incidence of Verruca Plantaris (Plantar Warts) in a School Population	279
Mixsell, Harold Ruckman—Obituary	72
Modern Trends in the Treatment of Appendicitis	67
Myers, A. W., Congenital Laryngeal Stridor Apparently due to an Enlarged Thymus Gland	73
Nathan, Lester A., Use of Glucosamine-Potentiated Tetracycline In The Treatment of Upper Respiratory Infections in Children	251
New York Medical College—Clinical Pathological Conference: Training Conference on the Retarded Child	106
New York Medical College—Clinical Conference: Training Conference on the Retarded Child	147
Neomycin Toxicity: A Case Report	439
Observations upon the Colored Children of Jamaica—	
Rickets and Mongolian Spots	290
Osler, William, Sir, Foreword—Congenital Hyperthropic Stenosis of the Pylorus	359
Osteo-Chondro-Dystrophia Hypercalcemica Idiopathica	285
Ostlund, Elvira A.	203
"Outside" Staphylococci Infections (Clinical Conference)	370
Parathion (Phosphorous Compound) Poisoning	387
Pathology and Surgical Treatment of Complicated Cerebral Palsy	1
Pediatric Progress (1884-1934) Historical article	518
Physical Fitness of School Children in the United States	245
Piotrowski, Stanley F.	203
Poisoning, parathion (phosphorous compound)	387
Porencephaly, post-traumatic	332
Porencephaly and Complicated Cerebral Palsy	486
Progressive Lipodystrophy Following Infection	227
Prophylaxis for Foot Eversion in Infants	220
Raskin, Naomi, A Case of Bilateral Post-Traumatic Porencephaly	332
Retarded Child, Training Conference	106
Retarded Child, Training Conference	147
Rickets and Mongolian spots	290
Rivarola, Jose E., Congenital Cyst of the Common Bile Duct in Infants	131
Rivarola, A. J., Emergency Lung Resection	405

Rivarola, J. E., Emergency Lung Resection .....	405
Robbins, Herman, Physical Fitness of School Children in the United States .....	245
Ronnei, Eleanor C., Deafness Prevention in Children .....	397
Ronnei, Eleanor C., Deafness Prevention in Children (Part II) .....	474
Roosevelt Hospital, The—Clinical Conference: "Outside" Staphylococci Infections .....	370
Rosner, Samuel, Porencephaly and Complicated Cerebral Palsy .....	486
Rosner, Samuel, The Pathology and Surgical Treatment of Complicated Cerebral Palsy .....	1
Roth, Eleanor T. ....	509
St. Luke's Hospital—Clinical Conference: Congenital Heart Disease in a Seven-Month-Old Infant .....	203
St. Luke's Hospital, N. Y., Clinical Conference: Case Presentation .....	509
Scanlan, John B. ....	147
Brush, Benjamin, "Pioneers of Pediatrics" (1743-1813) .....	
Schechter, Harry and Frumin, Abraham, Mediterranean Trait in North American Negroes .....	11
Schwartz, Ph., Birth Injury as a Cause of "Status Marmoratus" .....	45
Schwartz, Ph., Virchow's Congenital Encephalomyelitis of the Newborn .....	175
Schwartz, Philip, Tuberculosis in Childhood .....	315
Schwartz, Philip, Tuberculosis in Childhood—Part II—Primary Focus and Primary Complex .....	449
Serum Inorganic Phosphorous Content .....	501
Sherif, Y., Parathion (Phosphorous Compound) Poisoning .....	387
Scorpion poisoning, clinical studies .....	234
Speer, Frederic, Colic and Allergy—A Ten Year Study .....	271
Speer, Frederic, Food Allergy in Childhood .....	363
Stanley-Brown, Edward G., The Venous Cutdown .....	480
Staphylococci infections, "Outside" Clinical Conference .....	370
"Status Marmoratus," birth injury as a cause .....	45
Stenosis, hypertrophic pyloric .....	359
Stimson, Philip M., Integrity in the Adolescent— Camp Director's Conference Talk .....	213
The Serum Inorganic Phosphorous Content of Normal Infants and Children .....	501
Toxicity, Neomycin—case report .....	441
Tuberculosis in Childhood .....	315
Tuberculosis in Childhood—Part II—Primary Focus and Primary Complex .....	449
Uric Acid, evaluation as etiological factor .....	256
Use of Glucosamine—Potentiated Tetracycline in the Treatment of Upper Respiratory Infections in Children .....	251
Van Gasse, J. J., Incidence of Verruca Plantaris (Plantar Warts) in a School Population .....	279
Van Itallie, Theodore B. ....	509
Venous Cutdown, The .....	480
Vipond, Albert E., Observations upon the Colored Children of Jamaica— Rickets and Mongolian Spots .....	290
von Pirquet, Clemens, "Pioneers of Pediatrics" (1874-1929) No. 12 .....	9
Virchow's Congenital Encephalomyelitis of the Newborn .....	175
Wishahi, A., Parathion (Phosphorous Compound) Poisoning .....	387
Warts, plantar, incidence in school population .....	279
